NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS

01/11/2022

Dear Parent/Guardian,

In keeping with Cameron ISD's practices to respond to COVID-19, we are notifying you that a student/staff who was lab-confirmed to have COVID-19 was present on the campus of C.H. Yoe High School on January 11, 2022. Due to privacy requirements, we will not be releasing the name of the individual or details that may identify him or her. As required, the district will notify the local health department and the Texas Department of State Health Services.

We ask that you monitor your personal and family's health for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:

- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you or any member of the Cameron ISD community does begin experiencing any of these symptoms in a way that is not typical, we encourage you to contact your physician.

If you have any questions or concerns, please contact your student's campus or visit our website at www.cameronisd.net.

Sincerely,

Brian Stork
Principal
C.H. Yoe High School
Cameron ISD
