

FRIENDS of the PAC

Events like this one are made available to the Cameron community and surrounding areas through the efforts of the CISD Performing Arts Committee.

It is our goal to bring entertaining, educational, and culturally diverse performances to the PAC, however we would not be able to do this without financial support.

For this reason we would like you to consider becoming a friend of the PAC. Each donation made to the Friends of the PAC organization will be used solely for the costs of bringing performances to the Cameron ISD Performing Arts Center.
