

Cameron Prep School

After-School Tutorials

Starting mid September, we have a great tutorial program at Cameron Junior High School. We will use web-based tutorial programs that are built on the objectives that your child is required to master for STAAR.

Teachers will be using “Think Through Math”, “iStation”, and homework assistance to tutor students after school on Mondays, Tuesdays, Wednesdays, and Thursdays from 3:30-4:30 p.m. We are inviting your child to join us **starting mid September**. Think Through Math and iStation are fun and interesting programs for students to learn and practice STAAR skills.

A light, healthy snack will be provided for every student attending.

Transportation will be provided for students who live in town. ALL BUS RIDING RULES APPLY!!

(Bus will pick up BMES, CES, & CJH students by 4:35pm at CES)

The bus stops at the following locations:

1. Yoe High School Bus Ramp
2. 12th Street at Austin Street
3. 12th Street at M.L.K. Blvd
4. O.J.T. Campus at M.L.K. Blvd. & 6th Street
5. Orchard Street at Main Street
6. Main Street at College Street
7. F.M. 1600 at Price Street
8. Gillis at Fannin
9. Main Street at Washington
10. Cameron MH Park - 1st Entrance

Students will exhibit appropriate behavior at all times or they will be subject to removal from the program. Some of these appropriate behaviors include but are not limited to the following:

- **Be on time to Cameron Prep**
- **Be respectful to everyone**
- **Follow teacher instructions**
- **Work the entire time to complete tasks**

By allowing your child to participate in these tutorials, you are giving him/her the best opportunity to pass Math, Reading, Science(8th only), Social Studies(8th only), and Writing(7th only) STAAR this year. Please complete the attached Registration Sheet and return it to school.
