

# CAMERON CONNECTION

## CISD INITIATIVE

- All parents and community members are invited. We hope you can make at least one of the meetings listed below.
- Our goal is to solicit input from parents/community to help us better understand and reach our youth, which in turn will provide us with the necessary information to help us achieve the Cameron ISD mission.
- We will have staff members from all campuses on hand to help with each meeting as well as Superintendent and board members.

**CISD Mission: CISD, in partnership with parents and community will provide a quality education for all students, empowering them to pursue productive and fulfilling lives in an ever-changing interdependent world.**
